UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

**SOCIETE DE FABRICATION MATY
SFM,**

Plaintiff,

-against-

M. FABRIKANT & SONS, INC.,

Defendant.

Civil Action: 06 cv 13217 (LAP)

COMPLAINT

Plaintiff Societe de Fabrication Maty SFM (“SFM”), by its attorneys Kelley Drye & Warren LLP, alleges as follows, as and for its Complaint against M. Fabrikant & Sons, Inc. (“Fabrikant”).

NATURE OF ACTION

1. This is an action brought by SFM to recover monies due and owing it by Fabrikant for the delivery of jewelry.

JURISDICTION AND VENUE

2. This Court has jurisdiction over this action based upon diversity of citizenship pursuant to 28 U.S.C. § 1332. The amount in controversy, exclusive of interest and costs, is in excess of \$75,000.

3. Venue in this District is proper under 28 U.S.C. § 1391(a), (b) and (c) because Fabrikant is licensed to conduct and conducts business in New York and in this District,

this is the judicial district where a substantial part of the events giving rise to the events occurred and because Fabrikant is subject to personal jurisdiction here.

THE PARTIES

4. SFM is a corporation organized and existing under the laws of the France. Among other businesses, SFM engages in the manufacture and sale of jewelry products.

5. Fabrikant, upon information and belief, is a corporation organized and existing under the laws of the State of New York with its principal place of business in New York, New York. Fabrikant is in the retail jewelry business that operates in the United States, including in Manhattan, and thus is conducting business within the State of New York and this Judicial District.

THE FACTS

6. Between about January 30, 2006 and July 17, 2006 Fabrikant purchased various jewelry items from SFM which SFM understood were to be sold by Fabrikant in its retail operations.

7. The purchases were made as per SFM's General Terms and Conditions which included provisions under which Fabrikant agreed that "[a]ny overdue sum on an invoice will lead to the application, as of right, of late payment intent equal to 1% a month" and that in the event of default "[t]he buyer will be required to reimburse the costs of any legal action taken to collect any monies due including [legal] fees."

8. The purchases were made at agreed upon prices. Merchandise was shipped by SFM to Fabrikant in New York. Fabrikant, however, has failed to pay SFM for the merchandise it received.

9. The total amount of the charges which remain outstanding is \$96,929.07.

10. SFM sent Fabrikant invoices for the purchase of the merchandise sold and delivered. Fabrikant never objected to any of these invoices which are attached hereto as Exhibit "A".

11. Fabrikant has not paid all the amounts due and owing under these invoices though due demand has been made.

FIRST CLAIM FOR RELIEF — BREACH OF CONTRACT

12. SFM repeats and realleges paragraphs 1 through 11 as if fully set forth herein.

13. SFM performed all of its obligations to Fabrikant by delivering the merchandise at agreed upon prices. SFM duly invoiced Fabrikant for the merchandise delivered to, and used by, Fabrikant.

14. By failing to pay \$96,929.07 of the outstanding amount due and owing SFM under the invoices, Fabrikant has breached its contract with SFM.

15. There is now justly due and owing to SFM a total amount of \$96,929.07 with interest from Fabrikant.

SECOND CLAIM FOR RELIEF — ACCOUNT STATED

16. SFM repeats and reallges paragraphs 1 through 15 as if fully set forth herein.

17. Fabrikant received and accepted merchandise from SFM and invoices related thereto. Fabrikant at no time objected to any of the invoices.

18. SFM has not been paid the monies due for the merchandise sold, delivered and invoiced, despite due demand having been made.

19. By reason of the foregoing Fabrikant is obligated to pay SFM a total amount of \$96,929.07 with interest.

THIRD CLAIM FOR RELIEF

20. SFM repeats and realleges paragraphs 1 through 19 as if fully set forth herein.

21. Article 11 of the General Terms and Conditions of Sale entitled "Reserved Ownership" provided that "[t]he transfer of property is subject to the complete settlement of the price of the goods, any interest, penalties or other charges".

22. By reason of Fabrikant's failure to pay SFM outstanding amount due and owing under the invoices, SFM is entitled to replevin of the merchandise delivered to Fabrikant.

WHEREFORE, SFM demands judgment against Fabrikant as follows:

(1) On the First Claim for Relief in the amount of \$96,929.07 with interest, costs and attorneys' fees along with such other and further relief as the Court deems proper.

(2) On the Second Claim for Relief in the amount of \$96,929.07 with interest, costs and attorneys' fees along with such other and further relief as the Court deems proper.

(3) On the Third Claim for Relief an Order granting SFM replevin of the subject merchandise, with costs and attorneys fees along with such other and further relief as the Court deems proper.

DATED: New York, New York
November 15, 2006

Respectfully submitted,
